Over the course of their career, the Temptations have released four Billboard Hot 100 number-one singles and 14 Billboard R&B number-one singles. Their material has earned them three Grammy Awards. Like its "sister" female group, the Supremes, the Temptations' singer lineup has changed frequently over the years.*

The Miracles have charted over 50 *Billboard* hit singles between 1959 and 1978, including 26 Top Ten Billboard R&B Hits, with four R&B # 1's. Sixteen of their songs reached the Top Twenty of the *Billboard* Hot 100, with seven songs reaching the Top Ten, and two, 1970's "The Tears of A Clown" and 1975's "Love Machine", reaching number one, with a third song, "Shop Around", reaching #1 on the Cash Box magazine Top 100 pop chart .*

In the 1960's, The Contours charted eight hits, including Motown's first million-seller and its fastest-rising hit of all time, "Do You Love Me."
